

A Reason To Disobey My Dad
By Coloring Buddy Mike

I try to find a reason to disobey my dad.
He makes me do junk that really makes me mad.
Like finishing my homework or taking out the trash.
I have to clean my room, even barbeque ash!
People, I am gruff, mean, and blue.
If I cry about it - He will whup me, Ooh!
Grandpa says papa makes me bright and strong.
A man must learn right, not to do wrong.
I have found a reason to obey my loving dad.
I want to be smart and tough, not weak, foolish or sad.
